Alex,

Attached are the revised PPDC talking points. I have attached a version (called RPK\_mmg\_dd\_clean) with the sections highlighted that were changed based on your comments below. I have also attached a clean version without highlighting (called ...clean\_no highlight). There are 21 new PPDC members. I have their names in a chart in the talking points if you would like to welcome them by name. I have also attached an Excel file (called List for Alex) with all of the PPDC members which denotes who is new and who is returning. Please let me know if you have additional comments/edits.

Danny, Ruth, Kendra, please put both of these versions and the list of members (Excel file) into the binder for tonight.

Thanks,  
Melissa

Melissa,

Look great; they are short...I'd like to add something on pollinators. Also to welcome the new members by name, and to comment on their flexibility for going virtual.

Also maybe something about how important the PPDC is to us and a comment on the great agenda (can you be sure I touch briefly on the general agenda topics?)

Alex,

Attached are your draft remarks for the PPDC meeting on Wednesday. These didn't make your binder for this evening but I wanted to get them to you so you could provide comments. I am still waiting for the number of proposed interim registration review decisions for this fiscal year, but I didn't want to hold this up any longer.

Thanks,  
Melissa
